The Board of Reno County Commissioners met in agenda session with, Chairman Bob Bush, Commissioner Ron Hirst and Commissioner Ron Sellers, County Administrator Gary Meagher, County Counselor Joe O'Sullivan, and Minutes Clerk Cindy Martin, present.

The meeting began with the Pledge of Allegiance and a short sectarian prayer led by Pastor Lennie Maxwell, Trinity United Methodist Church.

Public comments:

Amy Brown, 7406 E. Fountain Green Road, was concerned about Planning and Zoning Regulations and asked what the process was for an overlay? She asked how to make changes in the zoning process.

Commissioner comments:

Commissioner Hirst read his comments on the KAC meeting, highlighting certain issues that were discussed. Mr. Hirst mentioned that Sedgwick County had a moratorium on wind and solar for their county to consider and asked if Commission Bush and Commissioner Sellers had received an email from Mr. Meagher on that moratorium so they would be informed. Neither had received that information and Mr. Meagher said he would send it to them.

Commissioner Sellers asked Mr. Meagher and Mr. O'Sullivan to respond to Mrs. Brown's question on what the process was for Planning and Zoning. Mr. Meagher offered to contact County Planner Mark Vonachen to inquire about a timeline for the overlay process and email Mrs. Brown with answers.

County Counselor Joe O'Sullivan commented that he attended the Planning and Zoning meeting when Mr. Vonachen brought up the Planning Commission agenda for the year. The Planning Commission informally looked at discussing the overlay process after the NextEra public hearings were held to provide information that could amend additional regulations not only on wind energy but solar energy, and corporate hog or cattle feedlots. Providing NextEra follows the February date for the

application of a Conditional Use Permit, making it in the timeframe of May or June.

Commissioner Bush had no comments except to request Mr. Meagher contact Mr. Vonachen for an exact timeline on the overlay process.

There were no additions to the agenda.
