The motion was approved by a roll call vote of 3-0. Mr. Sellers started a brief discussion on purchasing new equipment versus purchasing used for the same price and warranty. Mr. Hirst suggested it could be the wait time for new being six months to a year for delivery and the used was available now. Mr. Partington would consult with Solid Waste Director Megan Davidson for the answers.

**Mr. Friesen moved, seconded by Mr. Hirst, to** approve the proposal from Hutton Corporation, agenda item 6H, that was a proposal to provide design builder services for the shooting range project. Mr. Sellers stated he had nothing against the Hutton Corporation however he would not vote for the proposal

believing it had the possibility of expenses growing out of control with the county's money.

Mr. Hirst shared those concerns on expenses but believed there was an opportunity to provide a facility and a need for the shooting range warranted a planning design. The Sheriff's Office would benefit along with other agencies as it could become the regional training center. They had four companies present practical presentations and Hutton was the only one that would help us seek grants.

Sheriff Darrin Campbell said Hutton Corporation stood out from all the others. He stated that it was practical and scalable to fit our needs and budgets also provide a training facility for the region.

The motion was approved by a roll call vote of 2-1 with Mr. Sellers opposed.

Hutchinson Community Foundation Director of Strategic Initiatives Kari Mailloux gave a presentation on behalf of the Reno County Entrepreneur Ecosystem Partnership (RCEEP) Action Plan. She showed the progress and updates for the 2022-2025 Reno County Entrepreneur Action Plan. Other members of that group were in the audience: Jackson Swearer and Dave Dukart, Start Up Hutch; Michele Inskeep, Peoples Bank and Trust.

Mr. Swearer explained the function of RCEEP stating they would still meet quarterly to continue to function with Hutchinson Foundation as a neutral partner in those meetings. He felt it was important to not duplicate services with what other agencies were doing.

County Counselor Patrick Hoffman gave explanation for the Joint Venture Agreement with Interfaith Housing for a development project at 500 W. 20<sup>th</sup>, the old St. Elizabeth Hospital building in Hutchinson, KS. He said the main focus was giving back the deed to Interfaith if the grant was not awarded. Reno County would carry additional insurance with the same coverage as other buildings when filing a claim with a deductible, and Interfaith would reimburse Reno County the insurance cost as written. Mr. Hoffman was satisfied with the agreement. Mr. Friesen stated good work with the creativity on moving forward with the St. Elizabeth project and suggested working with the City of Hutchinson for support and cooperation. **Mr. Friesen moved, seconded by Mr. Sellers,** to approve the Joint

Venture Agreement with the indemnity clause as presented. The motion was approved by a roll call vote of 3-0.

Appraiser Mike Plank presented his annual report to the Board. He reviewed several statistics and stated they were compliant since 2016 which was outstanding.

Mr. Partington stated the Board last week approved the maximum budget that would possibly exceed the RNR (Revenue Neutral Rate) with discussions before the August 30<sup>th</sup>, 2022, public hearing. He stated to keep the mill levy neutral the cut would have to be \$1.3 million. The Board had a large discussion on the revenue and expenses within each department's budgets. Mr. Partington was instructed to make a spreadsheet showing areas to cut before the August 30<sup>th</sup> public hearing.

Mr. Partington asked if the Board had any questions on the monthly reports, there were no questions. He said a townhall meeting was set in Yoder and asked if the Board would be attending, Mr. Friesen and Mr. Hirst would attend with possibly Mr. Sellers.
