FIXED ROUTE SERVICE

The bus will stop for anyone standing at the “far side” of any intersection along the route. The passenger should raise a hand as the bus approaches so the driver will know a ride is needed.

TRANSFERS

The routes are designed to transfer to the other routes. Transfer tickets can only be used at the Transfer Station and the Mall. The transfer is free but must be used within two (2) hours from the time it is issued. It may not be used as a return ticket on the route from which it is issued.

REMINDERS FOR A SUCCESSFUL TRIP

You may share a bus with other customers, we suggest you:

- ◆ Check the map for routes and to see if a transfer will be necessary. Drivers can provide assistance with transfers.
- ◆ For fixed routes, allow up to one hour to reach your destination.
- ◆ Allow time for picking up/dropping off other passengers.
- ◆ Be prepared for delays due to traffic or bad weather.
- ◆ On return trips, be at the stop early. It is better to wait a few minutes than miss your scheduled ride.
- ◆ Passengers are allowed to have only as many packages as they can reasonably carry in one trip. (Note: hazardous materials or firearms are not allowed.)
- ◆ The Fixed Route driver is not permitted to assist with the loading and unloading of packages.
- ◆ Fixed Route Passengers (or companions) are responsible for getting packages into their destination.

RURAL SERVICE

In an effort to conserve time and money, we will run the route only when we know an individual wants a ride. A 24-hour notice is required for the *Rcat* Rural Service. Inquiries about this service please call 620-694-2913.

Cancel

To cancel a request for a ride, please call the *Rcat* Office. In order to provide quality service to all passengers, cancellation notice must be made at least two (2) hours prior to the scheduled pick up. If your ride is early morning route, notification needs to be made by 6:00p.m. the evening prior to the ride. Cancellations made within two (2) hours or less will be treated as a no-show. Three No-Shows within 90-days results in a suspension of service for 30 days. A cancellation or no-show that is disability related may not count if the *Rcat* Office is notified. However, documentation may be required.
