1-101 Title: These regulations, including the Zoning District maps and overlays made a part thereof, shall be known and may be cited as the "Zoning Regulations of Reno County, Kansas", and shall hereinafter be referred to as "these Regulations."

1-102 Purpose: These Regulations are intended to serve the following purposes:

1. To promote the health, safety, comfort and general welfare of the citizens of Reno County, Kansas.
2. To create a variety of zoning districts sensitive to the peculiarities of the various permitted uses and designed to protect and enhance the values inherent in each zone; while encouraging the redevelopment and revitalization of the cities within the County and discouraging the premature conversion of rural properties to more dense and/or "urban-like" uses.
3. To conserve good agricultural land and protect it from the intrusion of incompatible uses, but not to regulate or restrict the primary use of land for agricultural uses.
4. To regulate and restrict the height, number of stories, and size of buildings; the percentage of lots that may be occupied by buildings and other structures; size of yards, courts, and other open spaces.
5. To provide for adequate light and air, and acceptable noise levels.
6. To avoid the undue concentration of populations and to prevent overcrowding in the use of land and community facilities.
7. To provide adequate notice on subsequent changes to these regulations and an opportunity for interested parties to be heard.
8. To provide information regarding possible flood hazards.
9. To facilitate the adequate provisions of transportation, water, sewage, schools, parks, and other public improvements and services, and to carry out the goals and objectives as set forth in applicable laws of the State of Kansas and the Comprehensive Plan for Reno County, Kansas.
10. To promote the achievement of the Future Land Use Plan for Reno County, Kansas.
11. To inform the public regarding future development in Reno County, Kansas, thereby providing a basis for wise decisions with respect to such development.

1-103 Jurisdiction: These Regulations shall apply to all structures and land within the unincorporated area of Reno County, Kansas, as reflected on the Official Zoning District Boundary Map; except for an officially designated extra-territorial jurisdiction of a city, plus that area of the County within the

jurisdiction of any incorporated city which may elect to request through an inter-local agreement, county administration of the zoning regulations on behalf of the city.

1-104 Definitions: For the purpose of these Regulations, certain terms and words are hereby defined. Words used in the present tense shall include both the past and the future, and words used in the future tense shall include the present; words in the singular number shall include the plural and words in the plural number shall include the singular; the word "building" shall include the word "structure"; the word "dwelling" shall include the word "residence"; the word "lot" shall include the word "plot"; the word "person" shall include individuals, firms, corporations, associations, governmental bodies and agencies, and all other legal entities; the word "shall" is mandatory and not directory while the word "may" is permissive; and the phrase "used for" shall include the phrases "arranged for", "designed for", "intended for", "maintained for", and "occupied for". Words or terms not herein defined shall have their ordinary and customary meaning in relation to the context.

- 190. TOWNHOUSE:** A single-family dwelling constructed as part of a series of dwellings, all of which are either attached to the adjacent dwelling or dwellings by party walls or are located immediately adjacent thereto with no visible separation between walls or roofs.
- 191. TRAVEL TRAILER:** A structure, not to exceed nine feet in width, designed to provide temporary living quarters for recreational, camping or travel use, constructed with integral wheels to make it mobile and/or towable by a motor vehicle.

- 192. TRAILER PARK:** A tract, lot, or parcel of land upon which temporary accommodations are provided for two or more trailers; such park being open to the public either free or for a fee.
- 193. TRANSFER STATION:** A facility, including land and buildings, used for the handling and/or processing of solid waste to be bundled, bailed or otherwise packaged for transport to another site for disposal in a solid waste landfill. Transfer stations can include material recovery operations, recycling facilities and any other ancillary and/or accessory operation associated with the management of solid waste.
- 194. USE:** The specific purpose for which land or a building is used.
- 195. USEABLE OPEN SPACE:** Land or water which is free of buildings, structures and/or other substantial improvements and which is readily accessible by the public or residents of a residential development. Useable open space does not include streets, alleys, off-street parking or loading areas, roofs, or slopes in excess of 50 percent.
- 196. VISION TRIANGLE:** A horizontal triangular area at the intersection of streets maintained to provide an open line of vision for operators of vehicles approaching the intersection. Within the vision triangle, no one shall install, set out or maintain any sign, fence, hedge, shrubbery, natural growth or other obstruction to view. This restriction shall not apply to:
- A. public utility poles;
 - B. hedges trimmed to a height of less than thirty-three inches above the midpoint of the adjacent travel lane for rural roadways;
 - C. any plant species trimmed so as to leave at all times a clear and unobstructed cross view;
 - D. ornamental fences not exceeding four feet in height, provided the ratio of the solid portion of the fence to the open shall not exceed one to four;
 - E. official warning signs or signals;
 - F. locations where the contour of the ground is such that there can be no cross visibility at the intersection;
 - G. signs mounted ten feet or more above the ground whose supports do not constitute an obstruction.
- 197. WASTE TIRE:** A whole tire that is no longer suitable for its original intended purpose because of wear, damage or defect, as defined in K.S.A. 65-3424, et seq, and amendments thereto.
- 198. WASTE TIRE ABATEMENT:** The processing or removing to an approved storage site of waste tires which are creating a danger or nuisance.
- 199. WASTE TIRE BENEFICIAL USE:** The use or storage of waste tires in a way that creates an on-site economic benefit, other than from processing or recycling, to the owner of the tires. This shall not include the disposal of waste tires on the owners land simply to avoid proper disposal as prescribed by these Regulations and/or state law.

-
- 200. WASTE TIRE COLLECTION CENTER:** A site where used or waste tires are collected from the public prior to being offered for recycling or disposal.
- 201. WASTE TIRE PROCESSING FACILITY:** A site where equipment is used to cut, burn or otherwise alter whole waste tires so that they are no longer whole.
- 202. WASTE TIRE SITE:** A site at which 500 or more whole tires are accumulated.
- 203. YARD:** A required open space, other than a court, unoccupied and unobstructed by any structure or portion of a structure from the general ground level of the graded lot upward; provided, however, that fences, walls, poles, posts and other customary yard accessories, ornaments and furniture may be permitted in any yard, subject to height limitations and requirements limiting obstruction of visibility.
- 204. YARD, FRONT:** A yard extending across the full width of the lot, the depth of which is the least distance between the lot line or road easement or right-of-way line and the front building line.
- 205. YARD, REAR:** A yard extending across the full width of the lot between the rear building line and the rear lot line, the depth of which is the least distance between the rear lot line and the rear building line.
- 206. YARD, SIDE:** A yard between the side building line and the side line of the lot and extending from the front yard to the rear yard and being the least distance between the side lot line and the side building line.
- 207. ZONE OR DISTRICT:** A section of the zoning area for which uniform regulations governing the use, height, area, size and intensity of use of buildings, land and open space about buildings are herein established.
- 208. ZONING ADMINISTRATOR:** The person or persons authorized and empowered by the Governing Body to administer the requirements of these Regulations.

1-105 Districts: In order to regulate and restrict the use of land and the location of buildings erected or altered for specific uses, to regulate and limit the height and bulk of buildings hereafter erected or structurally altered, to regulate and limit population density and the intensity of the use of lot areas, and to regulate and determine the areas of yards, courts, and other open spaces surrounding such buildings, the unincorporated portion of Reno County, is hereby divided into districts of which they shall be in number, known as:

"AG"	Agricultural District
"R-1"	Rural Residential District
"R-2"	Suburban Residential District
"R-3"	Single-Family Residential District
"V-1"	Village District
"FRD"	Floodwater Retarding Dam Breach Impact Overlay District

At the time of initial adoption, all lands within the unincorporated portion of Reno County, Kansas, shall be granted zoning consistent with the size of the property as specified within the zoned districts established herein. (i.e. All properties over 40 acres shall be zoned "AG" Agricultural; properties between 3 acres and 40 acres shall be zoned "R-1" Rural Residential; properties between 1 acre and 3 acres shall be zoned "R-2" Suburban Residential, etc.)

Additionally, certain properties are hereby granted a "Conditional Use Permit" without the benefit of an approved development plan as specified within these Regulations. Those properties granted a Conditional Use Permit shall be those properties which have a legally established land use activity at the time of the adoption of these Regulations and which would require a Conditional Use Permit in order to be established new under the terms of these Regulations. Further, said uses granted a Conditional Use Permit upon the adoption of these Regulations shall be permitted to expand, enlarge or otherwise enhance said use on that land contiguous to and under single ownership at the time of the establishment of this rule; provided a Development Plan is placed on file as required by these Regulations. (Example: A landowner who is operating a commercial business that would require a Conditional Use under these Regulations if it were proposed new shall be granted a Conditional Use at the time of the adoption of these Regulations and may expand that operation on any portion of the contiguous land owned at the time the Regulations were first adopted, subject to the submission and approval of the required Development Plan.)

1. Such land, and the district classification thereof, shall be shown on maps, aerial photos, computer records or other documents deemed appropriate by Reno County, Kansas, and such maps, aerial photos, computer records or other documents shall be designated as the "Official Zoning Maps." Said Zoning Maps, and all symbols, notations, dimensions, and references shown thereon or contained therein pertaining to the established zoning districts shall be as much a part of these Regulations as if they were fully described herein, and shall be filed as part of these Regulations with the Zoning Administrator. Said maps or other documents shall be available for inspection in the office of the Zoning Administrator, and any later alterations of these maps or other documents, adopted by amendment, shall be filed and made available for public reference. The above stated maps or other documents shall hereinafter be referred to as the "maps" in this document.
2. When uncertainty exists with respect to the boundaries of the various districts as shown on the maps accompanying and made a part of these Regulations, the following rules shall apply:
 - A. In cases where a boundary line is given a position within a street or alley, or navigable or non-navigable stream, it shall be deemed to be in the center of the street, alley, or stream; and if the actual location of such street, alley, or stream varies slightly from the location as shown on the maps, then the actual location shall control.
 - B. In cases where a boundary line is shown as being located a specific distance from a street line or other physical feature, this distance shall control.
 - C. In cases where a boundary line is shown adjoining or coincident with a railroad, it shall be deemed to be in the center of the railroad right-of-way and distances measured from a railroad shall be measured from the center of such right-of-way.
 - D. Where the district boundaries are not otherwise indicated and where the property has been, or may hereafter be, divided into blocks and lots, the district boundaries shall be construed to be the lot lines, and where the districts designated on the maps accompanying and made a part of these Regulations are bounded approximately by lot lines, said lot lines shall be construed to be the boundary of such districts unless said boundaries are otherwise indicated on the maps or by Resolution of the Governing Body.

- E. In unsubdivided property, unless otherwise indicated, the district boundary line on the maps accompanying and made a part of these Regulations shall be determined by the use of the scale contained on such maps.
 - F. When a lot held in one ownership on the effective date of these Regulations is divided by a district boundary line, the entire lot shall be construed to be within the less restrictive district; unless otherwise indicated on the maps or by Resolution of the Governing Body.
3. Where a district boundary follows a street, alley, watercourse or other right-of-way, in case of the vacation of said street, alley, watercourse or other right-of-way, the abutting zoning classification of each side thereof shall automatically be extended to the center line of said vacated street, alley, watercourse or right-of-way. Two districts shall be deemed to adjoin even though separated by a public way or portion thereof.

1-106 General Regulations Governing All Zoning Districts:

- 1. Except as hereinafter provided:
 - A. No land may be used except for a purpose permitted in the district in which it is located.
 - B. No building shall be erected, converted, enlarged, reconstructed, moved or structurally altered, nor shall any building or part thereof be used, except for a use permitted in the district in which the building is located.
 - C. No building shall be erected, converted, enlarged, reconstructed, moved or structurally altered to exceed the height, area and bulk regulations, the parking regulations, or the off-street loading regulations herein established for the district in which the building is located.
 - D. If a use in any structure is hereafter changed to another, then the new use must comply with the use regulations of these Regulations.
 - E. The minimum yards, parking spaces, open spaces, including lot area per family, required by these Regulations for each and every building existing at the time of the passage of these Regulations, or of any building hereafter erected, shall not be encroached upon or considered as required yard or open space for any other building, nor shall any lot area be reduced below the requirements of these Regulations.
 - F. Every building hereafter erected or structurally altered shall be located on a lot as herein defined and, except as hereinafter provided, in no case shall there be more than one main building on one lot.
 - G. No structure shall hereafter be built or moved, and no structure or land shall hereafter be used, occupied or designed for use or occupancy unless the minimum off-street parking and loading spaces required by Articles 10 and 11 are provided. No structure or use already established on the effective date of these Regulations shall be enlarged unless the minimum off-street parking and loading spaces which would be required by Articles 10 and 11 are provided for the whole structure or use as enlarged.
- 2. Nothing contained in these Regulations shall be deemed to be consent, license or permit to use any property; to locate, construct or maintain any structure or facility; or to carry on any trade, industry, occupation or activity.

3. All lands used for agricultural purposes as defined within these Regulations, including those agricultural activities that are designated as accessory uses to rural residential and suburban residential uses, are located within an area where land is used for commercial agricultural production. Owners, residents, and other users of this property or neighboring properties may be subjected to inconvenience, discomfort, and the possibility of injury to property and health arising from normal and accepted agricultural practices and operations, including but not limited to, noise, odors, dust, the operation of machinery of any kind, including aircraft, the storage and disposal of manure, and the application of fertilizers, soil amendments, herbicides and pesticides. Owners, occupants, and users of this property and neighboring properties should be prepared to accept such inconveniences, discomfort, and possibility of injury from normal agricultural operations, and are hereby put on official notice that K.S.A. 2-3201 et seq, the "right-to-farm law", may bar them from obtaining a legal judgment against such normal agricultural operations.

1-107 Vesting of Development Rights: In conformance with the provisions of K.S.A. 12-764, and any subsequent amendments, the following shall apply:

1. The rights of landowners of properties platted or subdivided for rural residential or suburban residential development in conformance with the definition of said terms in the these Regulations shall be protected for use of said land for the intended rural residential or suburban residential purposes for a period of five (5) years from the time in which such property was first platted or subdivided, provided:
 - A. Verifiable evidence is presented showing the date in which said plat or subdivision of land was first created. Acceptable evidence shall be: signed and sealed certificates or plats of survey from a Registered Land Surveyor showing the several lots proposed to be created, either dated or dated and recorded with the Register of Deeds; recorded Restrictive or Protective Covenants for the development; recorded deeds conveying land; or recorded Affidavits of Equitable Interest on contracts for deed for said tracts of land.
 - B. Within said five (5) year period actual sales occur resulting in separate owners on the tracts of land.
 - C. The division of land was legally done in conformance with the then Reno County Subdivision Regulations.
2. Except for lots in a recorded plat, any remaining contiguous tracts of land within the area divided under this rule held in common ownership at the conclusion of said five (5) year period shall be considered an unplatted lot, as defined in these Regulations, and subsequent divisions of said lot shall be in conformance with the Subdivision Regulations then in effect.
3. Properties divided or platted for any use other than agricultural or residential purposes shall not be permitted to develop or further develop except in conformance with these Regulations and the Reno County Subdivision Regulations. Persons who obtain a validly issued permit under the previous Reno County Zoning Regulations shall be permitted to develop the property so long as the permit issued under the previous Reno County Zoning Regulations does not expire. Failure to start construction under said permit before the expiration of the permit shall not protect the owner from the provisions of these Regulations or the Reno County Subdivision Regulations then in effect.
