

Rcat-Hutchinson to Wichita Connection

Weekly service on Tuesdays

How does it work?

Rcat busses will connect with a Sedgwick County Transportation vehicle at 10 a.m. in the HOWARDS NAPA Parts parking lot in Mount Hope, Kansas.

The Sedgwick County Transportation vehicle will connect with a Wichita Transit Fixed Route bus at 10:47 or 10:49 a.m. depending on the route needed. Or a Wichita Transit Paratransit vehicle can be scheduled if the rider is eligible. The connection location will be at the bus shelter Central Park and Maize (Target store parking lot).

For the Return trip to Hutchinson, riders will need to travel on a Wichita Transit bus back to the Central Park and Maize bus shelter by 4:17 or 4:19 p.m. depending on the route, or have a Wichita Transit Paratransit bus drop them at the Central Park and Maize bus shelter by 4:25 p.m. The Sedgwick County Transit bus will pick the rider up from that location and travel to the HOWARDS NAPA Parts parking lot to meet an Rcat vehicle at 5 p.m. Rcat will transport the rider back to Reno County to their home or drop off location.
