

# COVID-19 Housing for those Impacted by COVID-19 in the Hutchinson Vicinity

## FREE SHELTER TO HELP STOP THE SPREAD

A free shelter site is available for those who cannot isolate or quarantine in their own homes and meet one of the following criteria:

- have tested positive for COVID-19
- have been exposed to someone who has tested positive
- are living and working in an at-risk congregate setting

This shelter provides free housing, three meals a day and snacks, free laundry, and a cleaning service.

The goal is to provide a safe shelter for individuals so they can avoid spreading the COVID-19 virus to household members.
