## INDEPENDENT AUDITORS' REPORT

To the County Commission  
**Reno County, Kansas**  
Hutchinson, Kansas

### **Adverse and Unmodified Opinions**

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of **Reno County, Kansas**, as of and for the year ended December 31, 2021 and the related notes to the financial statement.

#### *Adverse Opinion on U.S. Generally Accepted Accounting Principles*

In our opinion, because of the significance of the matters discussed in the Basis for Adverse and Unmodified Opinions section of our report, the accompanying financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of the County as of December 31, 2021, or changes in financial position and cash flows thereof for the year then ended.

#### *Unmodified Opinion on Regulatory Basis of Accounting*

In our opinion, the accompanying financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of the County as of December 31, 2021, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note 1.

### **Basis for Adverse and Unmodified Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS), the *Kansas Municipal Audit and Accounting Guide* and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of the County, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse and unmodified audit opinions.

#### *Matter Giving Rise to Adverse Opinion on U.S. Generally Accepted Accounting Principles*

As discussed in Note 1 of the financial statement, the financial statement is prepared by the County on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America. The effects on the financial statement of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### **Responsibilities of Management for the Financial Statement**

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note 1; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

In preparing the financial statement, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for twelve months beyond the financial state date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditors' Responsibilities for the Audit of the Financial Statement**

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the County's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the County's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures and unencumbered cash balances (basic financial statement) as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the basic financial

statements. The summary of regulatory basis expenditures – actual and budget, individual fund schedules of regulatory basis receipts and expenditures – actual and budget, and summary of regulatory basis receipts and disbursements – agency funds (Schedules 1, 2 and 3 as listed in the table of contents) are presented for purposes of additional analysis and are not a required part of the basic financial statement; however, are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the accompanying supplementary information is fairly stated, in all material respects, in relation to the basic financial statement as a whole, on the basis of accounting described in Note 1.

We also previously audited, in accordance with auditing standards generally accepted in the United States of America, the basic financial statement of the County as of and for the year ended December 31, 2020 (not presented herein), and have issued our report thereon dated July 13, 2021, which contained an unmodified opinion on the basic financial statement. The 2020 basic financial statement and our accompanying report are not presented herein, but are available in electronic form from the web site of the Kansas Department of Administration at the following link <https://admin.ks.gov/offices/oar/municipal-services>. The 2020 actual column (2020 comparative information) presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget for the year ended December 31, 2021 (Schedule 2 as listed in the table of contents) is presented for purposes of additional analysis and is not a required part of the basic financial statement. Such 2020 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2020 basic financial statement. The 2020 comparative information was subjected to the auditing procedures applied in the audit of the 2020 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2020 basic financial statement or to the 2020 basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2020 comparative information is fairly stated in all material respects in relation to the basic financial statement as a whole for the year ended December 31, 2020, on the basis of accounting described in Note 1.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated July 19, 2022, on our consideration of the County's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the County's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the County's internal control over financial reporting and compliance.

**NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Reno County, Kansas** has established a uniform system of accounting maintained to reflect compliance with the applicable laws of the State of Kansas. The accompanying financial statement is presented to conform to the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The following is a summary of such significant policies.

**Financial Reporting Entity**

The County is a municipal corporation governed by an elected three-member commission. This financial statement does not include the related municipal entities shown below. A related municipal entity is an entity established to benefit the County and/or its constituents.

**Extension Council**

Reno County Extension Council provides services in such areas as agriculture, home economics, and 4-H clubs, to all persons in the County. The Council is an elected executive board. The County annually provides significant operating subsidies to the Council. Audited financial statements can be obtained by contacting the Extension Council.

**Public Building Commission**

Reno County Public Building Commission (PBC) was created by County resolution to finance the acquisition, construction and improvement of certain public buildings to be used for County related offices. The PBC has a three-member board appointed by the Reno County Commission. Unaudited financial statements can be obtained by contacting the County Administration office.

Included in Schedule 3-2, Agency Funds, are the accounts of the Clerk of the District Court and the Law Library.

**Basis of Presentation – Fund Accounting**

The accounts of the County are organized and operated on the basis of funds. In governmental accounting, a fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance related legal and contractual provisions. The minimum number of funds is maintained consistent with legal and managerial requirements.

The following types of funds comprise the financial activities of the County for the year ended December 31, 2021.

**Regulatory Basis Fund Types**

**General Fund** – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

**Special Purpose Fund** – used to account for the proceeds of specific tax levies and other specific revenue sources (other than Capital Project and tax levies for long-term debt) that are intended for specified purposes.

**Bond and Interest Fund** – used to account for the accumulation of resources, including tax levies, transfers from other funds and payment of general long-term debt.

**Capital Project Fund** – used to account for the debt proceeds and other financial resources to be used for the acquisition or construction of major capital facilities or equipment

**RENO COUNTY, KANSAS**  
Notes to Financial Statement

---

**Business Fund** – fund financed in whole or in part by fees charged to users of the goods or services (enterprise and internal service funds).

**Trust Fund** – fund used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipal reporting entity, scholarship funds, etc.).

**Agency Fund** – fund used to report assets held by the municipal reporting entity in a purely custodial capacity (payroll clearing fund, county treasurer tax collection accounts, etc.).

**Basis of Accounting**

*Regulatory Basis of Accounting and Departure from Accounting Principles Generally Accepted in the United States of America.* The KMAAG regulatory basis of accounting involves the recognition of cash, cash equivalents, marketable investments, and certain accounts payable and encumbrance obligations to arrive at a net unencumbered cash and investments balance on a regulatory basis for each fund, and the reporting of changes in unencumbered cash and investments of a fund resulting from the difference in regulatory basis receipts and regulatory basis expenditures for the fiscal year. All recognized assets and liabilities are measured and reported at cost, unless they have been permanently impaired and have no future cash value or represent no future obligation against cash. The KMAAG regulatory basis does not recognize capital assets, long-term debt, accrued receivables and payables, or any other assets, liabilities or deferred inflows or outflows, other than those mentioned above.

The County has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the County to use the regulatory basis of accounting.

**Reimbursements**

The County records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as a receipt to the fund that receives the reimbursement. For purposes of budgetary comparisons, the expenditures are properly offset by the reimbursements under KMAAG regulatory basis of accounting.

**NOTE 2 – BUDGETARY INFORMATION**

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds (unless specifically exempted by statute). Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

- a. Preparation of the budget for the succeeding calendar year on or before August 1st.
- b. Publication in local newspaper on or before August 5th of the proposed budget and notice of public hearing on the budget.
- c. Public hearing on or before August 15th, but at least 10 days after publication of notice of hearing.
- d. Adoption of the final budget on or before August 25th. If the municipality is holding a revenue neutral rate hearing, the budget timeline for adoption of the final budget has been adjusted to on or before September 20<sup>th</sup>.

**RENO COUNTY, KANSAS**  
Notes to Financial Statement  
December 31, 2021

---

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least 10 days after publication, the hearing may be held and the governing body may amend the budget at that time. There were no such budget amendments for this year.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

All legal annual operating budgets are prepared using the regulatory basis of accounting, in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the County for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year end.

A legal operating budget is not required for capital project funds, trust funds, and the following special purpose funds and business funds:

Special Highway Improvement Fund	Fire District No. 7 Special Fund
K-14 Highway Fund	Fire District No. 8 Special Fund
Register of Deeds Technology Fund	Fire District No. 9 Special Fund
Clerk Technology Fund	Fire District Jt. No. 1 RN-KM Special Fund
Treasurer Technology Fund	Fire District Jt. No. 2 RN-HV Special Fund
County Technology Equipment and Services Fund	Sewer District No. 201 Replacement Fund
County CIP Reserve Fund	Sewer District No. 202 Replacement Fund
County Equipment Reserve Fund	Emergency Management Citizens Corp. Fund
County Economic Development Reserve Fund	Field Correction Offices Special Rental Fund
Fire District No. 3 Special Fund	Coronavirus Relief Fund
Fire District No. 4 Special Fund	American Rescue Plan Act Fund
Fire District No. 6 Special Fund	Self-Insurance Fund

Spending in funds which are not subject to the legal annual operating budget requirement is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing body.

### **NOTE 3 – DEPOSITS AND INVESTMENTS**

**Reno County, Kansas** follows the practice of pooling cash and investments of all funds. Each fund's portion of total cash and investments is summarized by fund category in the summary statement of receipts, expenditures and unencumbered cash.

K.S.A. 9-1401 establishes the depositories which may be used by the County. The statute requires banks eligible to hold the County's funds have a main or branch bank in the county in which the County is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The County has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the County's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institutions; U.S. government securities; temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The County has no

**RENO COUNTY, KANSAS**  
Notes to Financial Statement  
December 31, 2021

investment policy that would further limit its investment choices. The rating of the County's investments is noted below.

As of December 31, 2021, the County had the following investments and maturities.

Investment Type	Fair Value	Investment Maturities (in years) Less than One	Rating
Kansas Municipal Investment Pool	\$ 47,028,073	47,028,073	N/A

**Concentration of Credit Risk**

State statutes place no limit on the amount the County may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and K.S.A. 9-1405. The County's allocation of investments as of December 31, 2021, is as follows:

Investments	Percentage of Investments
Kansas Municipal Investment Pool	100%

**Custodial Credit Risk – Deposits**

Custodial credit risk is the risk that in the event of a bank failure, the County's deposits may not be returned to it. State statutes require the County's deposits in financial institutions to be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City, or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. The County does not use "peak periods".

At December 31, 2021, the County's carrying amount of bank deposits was \$90,066,183 (including \$6,792 cash on hand) and the bank balance was \$91,235,783. The bank balance was held by six banks resulting in a concentration of credit risk. Of the bank balance, \$85,349,308 was covered by federal depository insurance and \$5,886,475 was collateralized with securities held by the pledging financial institutions' agents in the County's name. All deposits were legally secured at December 31, 2021.

At December 31, 2021, the Clerk of the District Court's and the Law Library's carrying amount of bank deposits was \$648,032 (including \$540 cash on hand) and the bank balance was \$789,531. The bank balance was held by one bank resulting in a concentration of credit risk. Of the bank balance, \$500,000 was covered by federal depository insurance, \$289,417 was collateralized with securities held by the pledging financial institution's agents in the name of the State of Kansas, designated for the Clerk of the District Court and \$114 was collateralized with securities held by the pledging financial institutions' agents in the Law Library's name.

**Custodial Credit Risk – Investments**

For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the County will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments to be adequately secured.

At December 31, 2021, the County had invested \$47,028,073 in the State's municipal investment pool. The municipal investment pool is under the oversight of the Pooled Money Investment Board. The board is comprised of the State Treasurer and four additional members appointed by the State Governor. The board reports annually to the Kansas legislature. State pooled monies may be invested in direct obligations of, or obligations that are insured as to principal and interest, by the U.S. government or any agency thereof, with maturities up to four years. No more than 10 percent of those funds may be invested in mortgage-backed securities. In addition, the State pool may invest in repurchase agreements with Kansas banks or with primary government securities dealers.

**NOTE 5 – CAPITAL PROJECTS**

The County adopted Resolution 2020-08 on March 10, 2020 authorizing \$7,500,000 of estimated project cost for construction, repair and reconstruction of the bridge at mile 33.80 on 43<sup>rd</sup> Avenue and the bridge at mile 27.99 on Nickerson Road in Reno County, Kansas. This resolution amended and supplemented Resolution 2019-20. The issuance of Series 2021 General Obligation Refunding and Improvement Bonds provided \$1,500,000 to the Bridge Improvements 2019 Fund for the project. As well, the Series 2019 Temporary Notes of \$6,250,000 (and interest of \$46,875), that had initially financed the project, were paid off by the Series 2021 bond issuance. Both bridges have been opened. In 2022, after final payments and certification, any excess remaining in the fund is expected to be transferred to the County's Bond and Interest fund to be available for payment of debt service on the Series 2021 bonds.

**RENO COUNTY, KANSAS**  
Notes to Financial Statement  
December 31, 2021

For this project, the cash disbursements and accounts payable and encumbrances from inception through December 31, 2021 are as follows:

	Cash Disbursement and Accounts Payable to Date	Amount Encumbered at 12/31/2021	Cumulative Expenditures to Date
43 <sup>rd</sup> Avenue Bridge at Mile 33.80	\$ 3,926,136	117,019	4,043,155

<b>Total</b>	<b>\$ 7,101,667</b>	<b>117,019</b>	<b>7,218,686</b>

The County adopted Resolution 2020-30 on September 22, 2020 authorizing \$3,515,000 of estimated project cost for construction, installation, furnishing and equipping of weatherization, window restoration, exterior earthquake repairs and interior plaster repairs to be made to the Reno County Courthouse. The improvements are being paid from proceeds of General Obligation bonds, insurance proceeds and available funds of the County. Insurance coverage has reimbursed the costs of the exterior and interior repairs from earthquake damage, beyond the County's deductible of \$25,000 and a change order of \$19,200 for which an insurance claim is not being filed. The issuance of Series 2021 General Obligation Refunding and Improvement Bonds provided \$2,350,950 to the Courthouse Improvement Fund for the project. At completion of the Courthouse Improvement project, any excess is expected to be transferred to the County's Bond and Interest Fund to be available for payment of debt service on the Series 2021 bonds. On March 22, 2022 the County authorized a construction change order of \$928,441 for repairs to the Courthouse dome, which will be paid from available reserve funds of the County and insurance proceeds.

For this project, the cash disbursements and accounts payable and encumbrances from inception through December 31, 2021 are as follows:

	Cash Disbursement and Accounts Payable to Date	Amount Encumbered at 12/31/2021	Cumulative Expenditures to Date

**NOTE 6 – LITIGATION**

**Reno County, Kansas** is a party to various legal proceedings which normally occur in governmental operations. These legal proceedings are not likely to have a material financial impact on the affected funds of the County.

**NOTE 7 – RISK MANAGEMENT**

**Reno County, Kansas** is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. Workers compensation coverage written by private carriers was found by the County to be priced unjustifiably high. Accordingly, the County joined Kansas Workers Risk Cooperation for Counties (KWORCC), a group-funded government risk workers compensation insurance program with 88 county-government members.

The County pays an annual premium to KWORCC for its workers compensation insurance coverage. The agreement to participate provides that the KWORCC will be self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$750,000 to \$1,000,000 for each insured incident. Additional premiums may be due if total claims for the pool are different than what has been anticipated by KWORCC management.

**Reno County, Kansas** carries commercial insurance for all other risks of loss, including property, general liability, inland marine, crime, automobile, cyber liability and underground storage tank liability. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**NOTE 8 – GRANTS AND SHARED REVENUES**

**Reno County, Kansas** participates in numerous state and federal grant programs, which are governed by various rules and regulations for the grantor agencies. Costs charged to the respective grant programs are subject to audit and adjustment by the grantor agencies; therefore, to the extent that the County has not complied with the rules and regulations governing the grants, refunds of any money received may be required. In the opinion of the County, any liability for reimbursement, which may arise as the result of the audit, is not believed to be material.

**NOTE 9 – ECONOMIC INCENTIVES**

During 2011, the County signed an agreement with the City of Hutchinson in consideration of the City of Hutchinson's execution of an agreement with the U.S. Department of Commerce Economic Development Administration (EDA) for the development of Phase III of the Salt City Business Park. The County is paying the City of Hutchinson a total of \$500,000 over 10 years, as a one time commitment to assist the City in meeting its local matching funds commitment to the EDA. During the year ended December 31, 2021, the County paid the final payment of \$50,000 to the City of Hutchinson under this agreement.

---

Reno County's Economic Development Job Incentive Policy was amended and restated September 13, 2016, and further amended and restated on March 5, 2019, for Applicants (employers) who create new employment within **Reno County, Kansas**. The policy establishes criteria under which the County may agree to offer and pay cash incentives to approved Applicants. Among other provisions, the Applicant is required to satisfy to the County that the proposed job creation would not take place but for the payment of cash incentives. The policy requires Development Agreements to be negotiated and executed between Reno County and the Applicant. These agreements require at least four consecutive quarters of verified qualifying employment prior to the County making any payment.

During the year ended December 31, 2021, no payments were due by the County under job incentive agreements entered into in prior years with Kansas Protein Foods, LLC, eNGines-LPG, L.L.C. and Geochemicals, LLC. Applicable to all these agreements, any future payments are dependent on job creation levels achieved and subject to funds being budgeted annually by the County and being available for said purpose under Kansas Cash Basis Law.

**NOTE 10 – STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY**

Expenditures exceeded available monies in the following fund, which is in violation of K.S.A. 10-1113:

Payroll Clearing Fund	\$ (13,754)
-----------------------	-------------

The Payroll Clearing Fund is operated on a reimbursement basis; therefore, the fund is expected to have such a negative cash balance.

**NOTE 11 – OPERATING LEASES**

In July 2016, **Reno County, Kansas** entered into a lease agreement with Canon Solutions America to lease new copiers. The agreement called for monthly payments of \$2,411 for 60 months. Payments totaling \$29,138 were made in 2021. The lease ended in 2021.

In January 2017, **Reno County, Kansas** entered into a lease agreement with Mailfinance (now Quadient Leasing) to lease a mail machine and folder inserter. The agreement calls for 60 monthly payments of \$2,381, which were billed and paid on a quarterly basis. Payments totaling \$28,575 were made in 2021. Future scheduled payments to maturity under the lease are \$7,143 in 2022.

In July 2021, **Reno County, Kansas** entered into a lease agreement with 360 Document Solutions to lease new copiers. The first month under this lease was November 2021. The agreement calls for monthly payments of \$2,193 for 60 months. Lease payments totaling \$4,387 were made in 2021. Future scheduled payments to maturity under the lease are \$26,320 in 2022 through 2025 and \$21,933 in 2026.

In November 2021, a new 60 month lease was entered into with Quadient Leasing, for a different mail machine and folder inserter, for a cost of \$3,833 per quarter, which will begin in 2022. Lease payments would be \$11,500 in 2022, \$15,333 in 2023 through 2026, and \$3,833 in 2027.

**NOTE 12 – HEALTH CARE SELF-INSURANCE CLAIMS**

**Reno County, Kansas** established a limited risk management program for employees' health care coverage effective October 1, 2015. Effective October 1, 2021, **Reno County, Kansas** entered into several agreements as part of such program:

- Acting on behalf of the County, most medical and prescription drug claims are paid by Third-Party Administrator ("TPA") Benefit Management LLC, or "BML". The contract between the County and BML is renewable annually and includes monthly administrative fees. The TPA pays claims from

the County's local PPO network and national wrap-around PPO network and Pharmacy Benefit Manager ("PBM"). The County reimburses weekly for claims paid.

- For a two-year term ending on September 20, 2023, the County contracted with the PBM Maxor Plus along with ARORx, a Patient Assistance Program vendor, to administer the County's prescription drug benefit. The reimbursement for these prescription drug claims and administrative fees and shared savings fees is included in the weekly reimbursement the County makes to the TPA.
- The County began offering a Fair Market Health incentive for members covered under the County's group health plan to utilize high quality, low-cost providers that participate with the Fair Market Health ("FMH") Program. The County generally reimburses the FMH claims daily.
- Protecting the County against unanticipated catastrophic loss, the County purchased specific stop loss coverage and aggregate stop loss coverage through East Coast Underwriters/Gerber Life ("ECU") for the plan year ending September 30, 2022. The stop-loss premiums are billed monthly by the TPA.
  - The specific stop-loss coverage provides protection to the County for most covered members for annual medical/prescription drug claims over \$125,000 per individual.
  - Should all covered members' medical and prescription drug claims up to the \$125,000 level exceed a figure estimated by ECU at the beginning of the plan year to be \$3,338,591, the aggregate stop loss coverage could provide a maximum benefit of \$1,000,000 to the County. ECU used enrollment at the time to estimate the \$3,338,591 as 125% of the annualized expected medical and prescription drug claim factors. Actual monthly enrollment will be applied to those factors to calculate any benefit paid to the County by ECU.
  - Due to a Special Risk Limitations clause, the County potentially has additional claims liability of up to \$320,000 before the individual or aggregate stop loss coverage would apply.
- Effective October 1, 2021, dental insurance is provided through Delta Dental, or "Delta", with administration fees paid monthly and dental claims reimbursed to Delta weekly. The dental claims paid by the County are capped at \$1,500 annually per individual.

Through September 30, 2021, **Reno County, Kansas'** plan administrator for medical, prescription drug and dental coverage was Blue Cross Blue Shield of Kansas, or "BCBS" with monthly payment of administrative fees and stop-loss premiums. The County reimbursed BCBS weekly for claims processed and continues to pay BCBS for runoff of claims for that plan year, through the March 31, 2023 end of the runoff period. Such liability is not believed to be significant to the Self-Insurance Fund.

The County reimburses BML, Delta, FMH and BCBS at least weekly for claims processed. As of December 31, 2021, the County has recorded in the Self-Insurance Fund \$744,506 of encumbrance payable for incurred but unpaid health care claims, based on claims paid through April 1, 2022 for 2021 health care services.

**NOTE 13 – DEFERRED COMPENSATION PLAN**

**Reno County, Kansas** sponsors a deferred compensation plan under Internal Revenue Code Section 457(b). Permanent and part-time employees are eligible to participate under the plan. The employee is

responsible for the amount of deferred compensation to be contributed. The County is not required to make any contributions.

**NOTE 14 – DEFINED BENEFIT PENSION**

**General Information about the Pension Plan**

Plan Description

**Reno County, Kansas** participates in the Kansas Public Employees Retirement System (KPERS) and the Kansas Police and Firemen’s Retirement System (KP&F). Both are part of a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, et. seq. KPERS and KP&F provide retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERS and KP&F issue a publicly available financial report that includes financial statements and required supplementary information. KPERS’ financial statements are included in its Comprehensive Annual Financial Report which can be found on the KPERS website at [www.kpers.org](http://www.kpers.org) or by writing to KPERS (611 S Kansas, Suite 100; Topeka, KS 66603) or by calling 1-888-275-5737.

Contributions

K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. KPERS has multiple benefit structures and contribution rates depending on whether the employee is a KPERS 1, KPERS 2 or KPERS 3 member. KPERS 1 members are active and contributing members hired before July 1, 2009. KPERS 2 members were first employed in a covered position on or after July 1, 2009, and KPERS 3 members were first employed in a covered position on or after January 1, 2015. Effective January 1, 2015, Kansas law established the KPERS member-employee contribution rate at 6% of covered salary for KPERS 1, KPERS 2 and KPERS 3 members. K.S.A. 74-4975 establishes the KP&F member-employee contribution rate at 7.15% of covered salary. Member contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

State law provides that the employer contribution rates for KPERS 1, KPERS 2, KPERS 3 and KP&F be determined based on the results of each annual actuarial valuation. Kansas law sets a limitation on annual increases in the employer contribution rates. The actuarially determined employer contribution rate (not including the 1% contribution rate for the Death and Disability Program) and the statutory contribution rate was 8.87% for KPERS and 22.80% for KP&F for the fiscal year ended December 31, 2021. Contributions to the pension plan from the County were \$1,386,013 for KPERS and \$594,872 for KP&F for the year ended December 31, 2021.

**Net Pension Liability**

At December 31, 2021, the County’s proportionate share of the collective net pension liability reported by KPERS was \$9,261,766 and \$4,259,375 for KP&F. The net pension liability was measured as of June 30, 2021, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of December 31, 2020, which was rolled forward to June 30, 2021. The County’s proportion of the net pension liability was based on the ratio of the County’s contributions to KPERS, relative to the total employer and non-employer contributions of the Local subgroup within KPERS. Since the KMAAG regulatory basis of accounting does not recognize long-term debt, this liability is not reported in this financial statement.

The complete actuarial valuation report including all actuarial assumptions and methods, and the report on the allocation of the KPERS collective net pension liability to all participating employers are publicly available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described above.

**NOTE 15 – OTHER POST EMPLOYMENT BENEFITS**

As provided by K.S.A. 12-5040, **Reno County, Kansas** allows retirees to participate in the group health insurance program. While each retiree pays the full amount of the applicable premium, conceptually, the County is subsidizing the retirees because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been quantified in this financial statement.

Under the Consolidated Omnibus Budget Reconciliation Act (COBRA), the County makes health care benefits available to eligible former employees and eligible dependents. Certain requirements are outlined by the federal government for this coverage. The premium is paid in full by the insured.

As provided by K.S.A. 74-4927, disabled members in the Kansas Public Employees Retirement System (KPERS) receive long-term disability benefits and life insurance benefits. The plan is administered through a trust held by KPERS that is funded to pay annual benefit payments. The employer contribution rate is set at 1% for the year ended December 31, 2021.

**NOTE 16 – COMPENSATED ABSENCES**

**Sick Leave**

Sick leave is granted for full-time, 40 hours per week employment (regular part-time employees earn it on a pro-rated basis) at the rate of 3.7 hours each pay period. Sick leave begins for eligible employees following the initial six months of employment. An employee may accumulate no more than 1,120 hours of sick leave. Any employee retiring from the County shall be reimbursed for 25% of any unused sick leave. An employee who voluntarily resigns or is laid off and is not eligible for KPERS or KP&F retirement, may also receive a payout based on longevity after 10 years of continuous service.

**Personal Leave**

Personal Leave Time (“PLT”) accrues from the first pay period of employment and may be used upon approval of the supervisor. PLT may be accumulated for a maximum carryover of 250 hours for employees with 9 or fewer years of service and 275 hours for employees with 10 or more years of service at the end of any year. Unused PLT will be due to an employee who terminates employment with the County and is to be paid on the payroll following the final date of employment, for individuals employed six months or more who give required notice. PLT with pay is granted for full-time, 40 hours per week employment in the following schedule (regular part-time employees earn PLT on a pro-rated basis):

<u>Years of Service</u>	<u>Amount Earned</u>
5 years or less	112 hours
6 years	120 hours
7 years	128 hours
8 years	136 hours
9 years	144 hours
10 years	152 hours
11 – 14 years	160 hours
15+ years	176 hours

**RENO COUNTY, KANSAS**  
Notes to Financial Statement

**Compensatory Time**

Some departments grant compensatory time to hourly employees in lieu of overtime for hours worked in excess of 40 hours per week. A Compensatory Time Off Agreement form must be signed prior to the accumulation of any comp time hours. Compensatory time may be limited, preserved, used or cashed out consistent with provisions of applicable laws and regulations of the U.S. Department of Labor.

**NOTE 17 – LANDFILL CLOSURE AND POST-CLOSURE COSTS**

State and federal laws and regulations require **Reno County, Kansas** to place a final cover on its landfill site when it stops accepting waste and also to perform certain maintenance and monitoring functions at the site for 30 years after closure. Although closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the County has a potential liability for a portion of this closure and post-closure care costs in each period based on the landfill capacities used as of each year end.

Disposal Unit	Permit No.	Total Estimated Cost	Estimated Closure Cost	Estimated Post-Closure Cost
Municipal Solid Waste (MSW) Landfill (Site D)	723	\$ 12,976,486	3,300,845	9,675,641

Construction & Demolition Landfill (Site E – Phases 1 & 2)	723	643,311	365,704	277,607
Pre-Subtitle D MSW Landfill (Site A) (Closed Site)	723	898,429	-	898,429
Pre-Subtitle D MSW Landfill (Site C) (Closed Site)	723	467,979	-	467,979
Household Hazardous Waste (HHW) Facility	607	48,101	48,101	-
<b>Totals</b>		<b>\$ 15,067,493</b>	<b>3,747,837</b>	<b>11,319,656</b>

The above figures have been estimated and the potential for change due to inflation or deflation, technology, or applicable laws or regulations, exists to affect the above calculations.

The County's application to the Kansas Department of Health and Environment Bureau of Waste Management ("KDHE") for permit modifications which significantly increased the life of the landfill was approved by KDHE in 2021. At December 31, 2021, the permit for 2022 identifies that the remaining volume capacity of the site is 65% of the original capacity and that the remaining life of the landfill is 65.9 years.

The County is also required by regulations to provide financial assurance for the closure and post-closure costs. The allowable mechanisms for this financial assurance are as follows: 1) trust fund, 2) surety bond guaranteeing payment or performance, 3) letter of credit, 4) insurance certificate, and 5) a financial test for local governments. The County has elected to use the financial test to provide financial assurance. The County is in compliance with the financial test as of December 31, 2021, except for the long-term debt issued in the current year/non-routine capital expenditures ratio. The County has requested and anticipates being granted a "variance" from KDHE regarding this ratio, as the factors in the County's 2021 ratio calculation are not expected to recur in a manner that causes a ratio violation.

**NOTE 18 – CONDUIT DEBT**

The County has been involved, as provided under Kansas law, in the issuance and refunding of Health Care Facility Revenue Bonds, the purpose of which was to finance or refinance the acquisition, construction, remodeling and equipping of certain health care facilities. The bonds are secured by the property financed. As of December 31, 2021, there was one series of such revenue bonds outstanding for the Pleasant View Home, with a bond principal amount payable of \$1,278,269. Neither the County, the State, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities of the County in the accompanying financial statement.

**RENO COUNTY, KANSAS**

Single Audit Information

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING  
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the County Commission  
**Reno County, Kansas**  
Hutchinson, Kansas

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the *Kansas Municipal Audit and Accounting Guide* and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statement of **Reno County, Kansas**, as of and for the year ended December 31, 2021, and the related notes to the financial statement, and have issued our report thereon dated July 19, 2022. The report on the audited financial statement was adverse because it was not presented in conformity with accounting principles generally accepted in the United States of America; however, it was unqualified as presented on a prescribed basis of accounting that demonstrates compliance with the cash basis and budget laws of the State of Kansas, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

**Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statement, we considered **Reno County, Kansas'** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of **Reno County, Kansas'** internal control. Accordingly, we do not express an opinion on the effectiveness of **Reno County, Kansas'** internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether **Reno County, Kansas'** financial statement is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material

effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM  
AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE**

To the County Commission  
**Reno County, Kansas**  
Hutchinson, Kansas

**Report on Compliance for Each Major Federal Program**

**Opinion on Each Major Federal Program**

We have audited **Reno County, Kansas'** compliance with the types of compliance requirements identified as subject to audit in the *OMB Compliance Supplement* that could have a direct and material effect on each of **Reno County, Kansas'** major federal programs for the year ended December 31, 2021. **Reno County, Kansas'** major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, **Reno County, Kansas** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2021.

**Basis for Opinion on Each Major Federal Program**

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditors' Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of **Reno County, Kansas** and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of **Reno County, Kansas'** compliance with the compliance requirements referred to above.

**Responsibilities of Management for Compliance**

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to **Reno County, Kansas'** federal programs.

### **Auditors' Responsibilities for the Audit of Compliance**

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on **Reno County, Kansas'** compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance and will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about **Reno County, Kansas'** compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding **Reno County, Kansas'** compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of **Reno County, Kansas'** internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of **Reno County, Kansas'** internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

### **Report on Internal Control Over Compliance**

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies

**Reno County, Kansas**

in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

### **Governance Letter**

We have audited the primary government financial statement of **Reno County, Kansas** for the year ended December 31, 2021, and have issued our report thereon dated July 19, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards* and the Uniform Guidance, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated February 10, 2022. Professional standards also require that we communicate to you the following information related to our audit.

### **Significant Audit Matters**

#### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by **Reno County, Kansas** are described in Note 1 to the financial statement. No new accounting policies were adopted and the application of existing policies was not changed during the year ended December 31, 2021. We noted no transactions entered into by the County during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statement in the proper period.

The financial statement disclosures are neutral, consistent, and clear.

#### *Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

#### *Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

#### *Disagreements with Management*

For purposes of this letter, a disagreement with management is disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statement or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

**Reno County, Kansas**

Page 2

July 19, 2022

*Management Representations*

We have requested certain representations from management that are included in the management representation letter dated July 19, 2022.

*Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the County’s financial statement or a determination of the type of auditors’ opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

*Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the County’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Other Matters*

With respect to the supplementary information accompanying the financial statement, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the regulatory basis of accounting, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statement. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statement or to the financial statement itself.

We would like to express our appreciation for the opportunity to perform the December 31, 2021 audit for **Reno County, Kansas** and to the employees for the cooperation and assistance given to us during the audit.

This communication is intended solely for the information and use of management, the County Commission, others within the organization, State of Kansas, and applicable federal agencies, and is not intended to be, and should not be, used by anyone other than these specified parties.
